RULES and REGULATIONS

Everything is being done to conduct this show on the highest possible level and for the pleasure and safety of exhibitors and spectators. The best adjudication officials to be found have been selected and they will place awards to the horses as they see them presented in the ring without regard for previous records or performances. The NEPHC is desirous of fair treatment for all exhibitors and in return asks for the cooperation of all in helping to make this show a successful and enjoyable event. Every person who participates in this show is responsible for knowledge of and is subject to the current rules and regulations of The NAPHA By-Laws, the NAPHA Book of Peruvian Horse Showing, the NAPHA Peruvian Horse Breed Standard, and the NAPHA Code of Ethics.

All showing procedures and judging percentages as well as definitions, class descriptions, descriptions of gear and attire, rules and regulations, conduct and ethics and conditions for this show are described in the above named publications. All exhibitors, handlers, riders and other persons participating in the show are responsible for a thorough knowledge of all the rules and regulations.

Rule books may be obtained through the NAPHA office at:

PO Box 2187 Santa Rosa, CA 95405

Phone: 707-544-5807 Fax: 707-544 5857

Exceptions or additions to these rules are noted in this premium list.

Any exhibitor who is delinquent in payment to a NAPHA approved show shall not be permitted to enter this show.

In the event that a Judge or other designated official is unable to perform his or her duties, the NEPHC reserves the right to substitute an equally qualified Judge or other official.

The Judge has the authority to place any horse in whatever position he thinks the merit of the horse justifies. Any exhibitor desiring to discuss his/her placing with a Judge **MUST FIRST** obtain permission from the Show Steward. No horse, rider, or handler may leave the ring without the permission of the Judge. The rider/handler must request permission through the Ring Steward.

******We reserve the right to cancel any class from the Premium Class List due to a lack of entries, up to and including the appointed class time.******

CALL FOR CLASSES

Classes will be called promptly and with advance notice before preceding class enters the ring. Three minutes will be allowed after the first horse in the class enters the ring. In the interest of a fast moving show to hold spectator interest, the above procedure will be followed. When change of costume is required because of cross entering, and a rider cannot make the three minute ruling for final call, a request for additional time must be approved by Show Management prior to final call, or the entrant will not be permitted into the ring after the judging has begun, unless there are circumstances that might arise. A maximum of 2 additional minutes may be added to the 3 minute gate call.

TACK CHANGE;

If an exhibitor requests a tack change, a 7 minute allowance will be made. The time starts from when the last horse leaves the arena the class before the requested tack change. After the 7 minutes are up, the gate will be closed.
